

# Sfe. Consortium Registration Form

Sfe. is an international youth organization, with no physical office, no full time staff(no salary too), zero budget, no paid advertisements, etc.

We are a totally motivated team of students wanting to create a change in our schools, colleges and locality. We work from where we live or study during our free times.

We started our journey in 2013 and now we dream to inspire youth all over the world and create a difference in our world.

Learn more about us by visiting : [www.mysfe.weebly.com](http://www.mysfe.weebly.com) (new website) or [www.mysfe.jimdo.com](http://www.mysfe.jimdo.com) (old website)

We welcome already existing organizations and clubs working in schools/colleges or independent organizations to join the Sfe. family of Organizations, the "Sfe. Consortium".

Being a part of the Sfe. Consortium leads to wider recognition of your activities and you will be able to showcase your works and activities to people from different countries through our social media pages and also partner with other organizations around the world or in nearby areas.

You will be able to use "Member of Sfe. Consortium" logo in your posters, media, etc and to show that you are recognized on a global platform like Sfe.

Sfe. and such partnering organizations have no direct control on each other and being a member of the consortium doesn't make you compulsory to follow Sfe. policies.

But, we do encourage you can inspire from our different practices like providing e-certificates, organizing low cost events, partnering with other NGOs etc too.

Best members of the Sfe. Consortium will also be awarded at the Sfe. Awards every year.

In September 2015, 193 world leaders agreed to 17 Global Goals for Sustainable Development (or Sustainable Development Goals/SDGs). Our governments have a plan to save our planet...it's our job to make sure they stick to it. We also have our role to do too. We believe the Goals are only going to be completed if we can make them famous. We at Sfe. also keep these SDGs in mind and aim to achieve them through our activities.
